**All enrollment fees are non-refundable!**

**\*\*Please Remember All Fees, including May 2022 Tuition, are Non-Refundable\*\***

## Is My Child Ready For Public Pre-Kindergarten?

CDC offers a pre-kindergarten experience with age appropriate learning experiences. We follow the National Association for the Education of Young Children (NAEYC) guidelines. Several factors need to be considered when determining if your child is ready for school. Readiness expectations should include all areas: physical, cognitive, social, and emotional competence as well as a positive attitude towards learning. If you have any doubts, a "gift of another year" is a great option. You should consider not just the child you have now, but also the adult you are raising. There are two great articles regarding waiting to start school on the Instagram page: @busytoddler titled "Why I Chose To Delay Kindergarten" and "What is Kindergarten Readiness?" We recommend you read these articles before deciding where to place your child next year. We ask that you do not enroll your child at CDC if you plan to pursue enrollment in the public school pre-k program.

### Winter Pajama Drive

Because of your generosity, we were able to provide 50 pairs of pajamas for Project Sweet Dream's comfort bags given to children entering into the local foster care system. Southern Hills CDC partnered with Edmond North Orchestra for Project Sweet Dreams during the 2020 Christmas season by collecting children's pajamas.

The donated pajama sets will be placed in bags with children's books, stuffed animals, and toothbrushes all donated by local organizations. These bags are then given to children who are taken from their homes and placed into foster care. Thank you for your generosity. Because of your giving, 50 children will be blessed during a very difficult transition in their lives.

*Valentine Parties  
& Pizza Lunches  
Thursday, February 11th  
&  
Friday, February 12th*

*Sign Ups will be sent through your  
classroom SeeSaw Apps*
